DUTIES AND RESPONSIBILITIES

Position Description: Will respond to suspected terrorist attacks using Weapons of Mass Destruction (WMD), and production or storage sites involving chemical, biological, and radiological substances. Team members will assist first responders in the presumptive identification of hazardous materials. Serves as Unit First Sergeant. Supervises the development and instruction of the soldier individual training program with the team. Recommends and helps establish plans, policies and procedures for unit personnel. Evaluates and counsels subordinates in their areas of responsibility to ensure an organized effort in unit goal accomplishment. Tactically responsible for providing site characterization and initial team safety upon arrival at the scene of an incident. Applicants must possess or be able to attain a SECRET clearance. This position requires an above average amount of TDY due to the Op-tempo. All team members are required to respond to no-notice 60 minute recall to Buckley AFB at all times.

CST Mission and Background

a. As prescribed by the Adjutant General and Chief, National Guard Bureau for the Weapons of Mass Destruction Civil Support Team. The WMD CST's mission is to deploy to assess a suspected nuclear, biological, chemical, or radiological event, storage site, or covert clandestine production sites. The WMD CST's will advise civilian Incident Commanders (IC's) regarding appropriate actions such as levels of Personnel Protective Equipment (PPE), zoning, and hazards; facilitate requests for assistance to expedite arrival of additional state and federal assets to help save lives, prevent human suffering, and mitigate great property damage.

b. The WMD CST is a mix of Air National Guard and Army National Guard Personnel. The team is currently responsible for the Federal Emergency Management Agency (FEMA) Region VIII. Hazmat training is highly desirable. Applicants should possess a high degree of fitness and physical stamina in order to perform extended operations in heavy protective gear. The Army Physical Fitness Test (APFT) standard for this unit is 240 or higher. Air Force members are expected to meet or exceed the Army standard.
